

REQUEST FOR PROPOSALS
TO PROVIDE ACCOUNTING SERVICES

1. About DRMF

The Dr. Reginald Mengi Persons with Disabilities Foundation (DRMF) is a Trust, registered on the 18th May 2018, in the United Republic of Tanzania under the Trustees Incorporation Act (cap 318 Of 2002). The Foundation recognizes the challenges that people with disabilities and their families are confronted with daily. We do everything we can to alleviate the obstacles, improve quality of life, inspire and empower people with disabilities to fulfill their potential.

Key areas of focus for the foundation include Change of Perception for persons with disabilities by promoting the “I Can” attitude and the perception of the community through the “enable not disable” mentality; Promote Economic Empowerment of PWD to be independent and productive members of our communities; Promote Preventive and Inclusive Healthcare; Promote Inclusive Education; Build a Strong and Sustainable Institution and Preserve and Promote the Legacy of the Settler.

As we strive to pursue the vision and mission, which motivated the Settler to incorporate this trust, we remain committed to address challenges facing persons with disabilities.

2. Background for the Consultancy

In our quest to build a sustainable institution, we are passionate in observing good corporate governance principles. Transparency, corporate reporting and compliance to regulatory and statutory requirements ensure that we form solid professional relationships amongst our stakeholders.

It is against this background that DRMF seeks to commission the services of experienced accountants/accounting firms to provide accounting services,

funded through grant donation from Global Giving under their “Kukuza Uwezo Project”.
